MENU SUBJECT TO CHANGE BASED UPON AVAILABILITY OF FOOD

THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER.

Breakfast provides 25% of a child's RDA (Recommended Dietary Allowance). Skipping breakfast lowers academic performance, which can lead to other problems for students. A good breakfast whether eaten at home or at school provides nutritious, healthy food choices including fruit and whole grain products. Only 15% of students eat fruit as recommended by the Food Guide Pyramid. Good health is precious. Help your child make good choices.
