

Summer Food Service Program (SFSP)

Meet Up and Eat Up provides breakfast and lunch for children 18 and younger Monday through Friday all summer long! WSD partnered with MDE and The United Way of Michigan to serve our community at three different open sites. Summer Slam and STEAM camps at Riverside, Summer Academy at Durant, and childcare in correlation to pre-school enrichment at Stepanski are just a few programs that have benefited from the SFSP. This summer has been successful in getting meals to our community! This summer we served 9,239 breakfasts and 16,842 lunches! We are excited to keep serving up healthy meals throughout the remainder of the summer!
