Dear Vendor,

Section 104(d) of the William F. Goodling Child Nutrition Reauthorization Act of 1998 requires schools and institutions participating in the NSLP and SBP in the contiguous United States to purchase to maximum extent practicable, domestic commodities or products for use in meals served under the program.

The legislation defines "domestic commodity or product" as one that is produced in the United States and is processed in the United States, substantially using agricultural commodities that are produced in the United States.

It is the intent of Dick and Jane Baking Company and the School Districts in which we service, to strictly adhere to this policy. Decisions to the contrary shall be at the School Districts or Buying Groups prerogative.

We Dick and Jane Baking Company, LLC certify that the percentage of U.S content in products we have contracted for the Schools have at least 82 % US content.
