

# Pizza Party!

**Celebrate that graduation, birthday or other special event  
with an affordable pizza party!**

**We do all the work and provide all the supplies!**

If you are a teacher or parent and would like to have a pizza party  
please contact your school Cafeteria Lead or Nutrition Services at  
(916) 338-6416 or *nutritionservices@centerusd.org*

**Please allow a two-week advance notice for all party requests.**

Parties must be held during your school's lunch period.

Since all foods served during the school day must meet or exceed the USDA's Smart Snacks in School nutrition standards  
and cannot compete with the National School Lunch Program or the School Breakfast Program (Education Code 15501)  
a pizza party is the easy & affordable way to go!

This institution is an equal opportunity provider.
