School Health Advisory Council Minutes
Thursday, October 17, 2019
Staff Development 1

Lunch at 11:30 am

- Welcome and Introductions - Dr. Anita opened meeting and SHAC members introduced themselves around the table.
- [Virtual Care Center](#) Update - Patsy Fisher & Sam McGinnis, *Atrium Health*
 - *Our telemedicine program has expanded to include four additional schools for the 2019-2020 school year. The district funded an additional nurse position to support this expansion. Telemedicine continues to increase the access our children have and a reduction in ER use for primary care. Future expansions will continue to maximize access in Cleveland County.*
- Community Health Advisor Overview - *Holly Wall, Cleveland County Community Health Advisor provided an overview of the scope of her responsibilities in this new position for our county.*
 - *Ms. Wall provided an overview of a new county employment initiative called Economic Health/Accelerate Cleveland - Designed to provide entry level skills for a career in manufacturing for those unemployed or underemployed.*
 - *Partnership for Community Prosperity - Not sure how much I should discuss, just that I will be an integral lead in community collaboration and sub committees.*
 - *DSS/Public Health Center Integrated Services - Working closely with the health director and DSS director with integrating services.*
 - *Community Health and Wellness - Alternative approaches to physical activity, developing approach with YMCA.*
 - *Childhood Trauma Awareness*
 - *Community Health Ranking - Developing initiatives to raise the health rank of Cleveland County*
 - *Awareness/Initiatives/Program to provide mental health services as a diversion to incarceration.*
 -
- County Tobacco Initiative - Anne Short, *Cleveland County Health Department*
 - *Ms. Short provided information about county efforts to decrease tobacco use, and raised increasing concerns regarding vaping. Her department is planning a Vaping Education program in March 2020.*
- [Cleveland County School's Mental Health Initiatives](#) - Ryan Etheridge, *Cleveland County Schools*
 - *Mr. Etheridge provided an overview of the mental health initiative in Cleveland County. The district is designing protocols and procedures for behavior threat assessment, suicide prevention protocols and social emotional education.*
- [The Elizabeth Program](https://www.elizabethprogram.org/) (<https://www.elizabethprogram.org/>)- Larry Newton

- *Larry Newton provided an overview of The Elizabeth Program to encourage medical mentors to support Cleveland County Students who are interested in medical careers in our community following graduation. [Mentoring Application](https://www.surveymonkey.com/r/VLJ7CLN) (https://www.surveymonkey.com/r/VLJ7CLN)*
- Partnership Possibilities - *Anita Ware, Cleveland County Schools*
 - *Dr. Ware discussed the possibility of a collaborative annual event focused on health education.*
- Around the Table
 - SHAC members shared upcoming events in their organizations.
