

Due to guidelines and regulations, Nutrition Services will not be accepting payments in the form of cash or checks from both staff and students. To serve our schools safely all transactions will be completed electronically. The Nutrition Services Department encourages staff to use our on line pre-payment provider at www.schoolcafe.com. Please access the link below to set up an account.

Payments can be made at any time using a credit card or debit card. Uploaded funds will appear on your account within 15-20 minutes of the transaction. Having an account will allow you to view your purchasing history, account balances and replenish funds when necessary. There is a \$1.95 fee for use of the on line payment system. The Colonial School District Nutrition Services Department does not profit from this fee. For more information and detailed instructions for setting up an online account you can contact the Nutrition Services Department at (302) 323-2743 and ask for Renee Elliott.
