

Travel with us during National School Lunch Week, October 12-16, 2020, the Texas Department of Agriculture along with CCISD Child Nutrition team will Blast Off with a Healthy School Lunch and encourage Texas students to soar to success! Please help us celebrate by encouraging your child to eat a healthy school lunch during NSLW! Each day of the week we will feature a different healthy component that make up a healthy school lunch! We will also have special morning announcement from a different member of the United States Space Force each day of the week! Join us and be a part of our culinary crew as we explore the Gourmet Galaxy on the Starship 3E's--Education, Exercise, and Eating Right! Get ready to "BLAST OFF WITH A HEALTHY SCHOOL LUNCH!"

MONDAY
