

FCS Families

PLEASE NOTE: The P-EBT (Pandemic Electronic Benefits transfer) benefits issued that began in 2019 **do not automatically continue from last school year/summer**. It is a new school year, with specific USDA guidance for all schools. Please keep your student's card(s) for possible upcoming benefits.

USDA has again approved the P-EBT benefits for School Year 2021-2022. There are stipulations (as in the past) as to which students are eligible for benefits.

1. If the school provides fully in-person instruction between Aug. 1, 2021-June 30, 2022, but has students who have stayed home at least five consecutive days due to COVID-19 or COVID-19 quarantine, benefits will be issued to those students, after the five consecutive days.
2. FCS is participating in a different USDA program (per federal waiver) again this school year (Seamless Summer Option), **allowing our high school students to receive FREE breakfast and lunch meals for 2021-2022.**
Our K-8 students qualify under another USDA program (Community Eligibility Provision-CEP), allowing all students a free breakfast and lunch; **free and reduced meal applications** are **USUALLY** required for our high school students.
3. In order for a **high school student** to qualify for a P-EBT card for 2021-2022 (if a student is eligible from above criteria), a meal application must be on file for 2021-2022. In addition, meal applications are required for any high school student that may request fees to be waived—**(NOTE: only those students that qualify for FREE meals with a meal application are eligible for fee waivers).**

[Click here](#) for the 2021-2022 meal application; it **must be printed**. Applications may be submitted to the Board of Education (306 E. Whittier Ave.) Or directly to our office, located in the Intermediate building (4 W. Dayton-Yellow Springs Rd). *Having a student take to school may delay the processing.*
