

MEAL PROGRAM UPDATE:

May 10, 2021

As we approach the end of the school year we will once again be transitioning the meal distribution for those interested in participating.

We will continue with Wednesday's being our weekly distribution day, however we will only have one pick-up site and a different distribution time.

Meal pick-ups are available for any child in the community between 1-18 years old and include breakfast and lunch for 5 days. The ***last meal pick-up day for the school year will be May 19th***. A box of shelf stable meals (except the milk) will be handed out on May 19th to help supplement meals until June 2nd when summer distribution will start. A sign up survey for End of the year meal box for pick-up on the 19th can be found at: <https://forms.gle/D86vLrhZ5UJCSFzB6>

There will be no meal distribution on May 26th (week between regular session and summer school).

Starting on June 2nd a weekly pack of meals will be available for pick-up at the High School parking lot in a drive through by the tennis court shelter where it was distributed last summer. The summer hours will be 11:30am – 12:30pm and we will continue a weekly distribution on Wednesdays only, through the month of June.

In July/August the Lunch Box will be providing lunches available for pick-up again at the GHS tennis court shelter from 11-12:30pm. See separate flyer Under Summer Meal Program icon on the Food Service Home page for more details.
