

Fresh Fruit and Vegetable Program

Our school is a proud recipient of the Fresh Fruit and Vegetable Program Grant!

What is the Fresh Fruit & Vegetable Program (FFVP) Grant?

FFVP is a federally assisted program providing free fresh fruits and vegetables to children at eligible elementary schools during the school day. The program has been successful in introducing elementary school children to a variety of produce that they otherwise might not have the opportunity to sample.

What does FFVP mean for my student?

The intent of FFVP is to introduce children to new and different fresh fruits and vegetables, the produce must be served in a way that it is easily identifiable. This encourages children to enjoy fruits and vegetables “as they are.” Your student will have the opportunity to try new fresh fruits and vegetables during the school day in their classroom.

This institution is an equal opportunity provider.
