

LAS CRUCES SCHOOL DISTRICT NO. 2  
2017-18

MEMORANDUM OF UNDERSTANDING  
Nutritional Guidelines Compliance Training

I, \_\_\_\_\_, acknowledge receiving training and instructions on the State of New Mexico nutritional rules adopted by Las Cruces School District as the rules relate to School Fund Raisers that incorporate the sale of food products whether during or outside normal school hours, at any site or function (i.e. – concession, food booths, door to door sales).

It is understood that the above training and instruction is a condition of being granted a Las Cruces School District Building/Facility User Permit and that compliance to the rules as received through the above referenced training and instructions may bear upon approval of the School District's building use permit.

It is understood that if I continue in my current position for which the above training and instructions are provided, I am required to obtain said training annually.
