SY 21/22 Question from parents: My child's application was approved last year. Do I need to complete another application? The district has made the decision to carry forward past SY 2020-2021 approved information, including information regarding fee waivers and other programs that you may have selected for your student(s). Therefore, a new application and/or sharing information form doesn't need to be completed for this school year unless there is a program not selected previously that you wish to make a change.
