

District Wellness Committee

The Mountain View School District's Wellness Committee is composed of teachers, administrators, school staff, parents, nurses and health aides, food and nutrition services staff and other community members.

The Committee assists with the development and implementation of the District's Wellness Policy and works together to ensure all children have every opportunity to be healthy, our schools provide a healthy learning environment and coordinate their joint efforts to enhance the health and well-being of all members of the school community.
