To Our Valued Customers,

The National School Lunch Act (NSLA) was amended to include Section 12(n), the Buy American provision. To maintain compliance with the Buy American provision, school food authorities (SFAs) must buy domestic commodities or products to the maximum extent practicable with some exceptions. Domestic commodities and products must meet one of two requirements:

- 1) The item is an agricultural commodity produced in the United States; or
- 2) Over 51 percent of the final processed product (by weight or volume as determined by the SFA) must be comprised of domestically grown items.

Exceptions to this provision are outlined in USDA memo SP-24-2016 and allow for products that fall under one of these categories:

- 1) The product is not grown domestically in the U.S. and/or is not available at reasonable quantities at an acceptable quality; or
- 2) Competitive bids show the U.S. product costs significantly more than the foreign product.

Based on the conditions listed above, National Food Group proudly guarantees that these Zee Zees items are Buy American compliant.

Sincerely,

Tara Sharpe  
Director of K12 Sales and Business Development
