Recommendation to the Board of North Adams Community Schools,

Regulations at 7CFR 210.14 € require School Food Authorities (SFAs) participating in the National School Lunch Program to ensure sufficient funds are provided to the nonprofit school food service account for meals served to students not eligible for free or reduced price meals. There are two ways to meet this requirement; either through the prices charged for “paid” meals or through other non-Federal sources such as donations or corporate subsidized programs. Calculations are provided by the USDA that SFAS must make in order to ensure they are in compliance with these requirements for School Year 2017-2018. The PLE Tool provided assist SFAs to make these required calculations.

For the 2017-18 SY SFAs which, on a weighted average, charged less than \$2.86 for paid lunches in 2016-2017 are required to adjust their weighted average lunch price.
