North Adams is pleased to offer Weekday and Weekend Meal Kits during the month of June to families in the North Adams Community Schools District through our Summer Meal Program. On Mondays, families will receive a 5-day meal kit for children through age 18 in the household. Weekend Picnic Kits will be available for pick up Fridays and will provide meals for all children up to age 18 in the household. Meals are **FREE** to all North Adams Community Schools students including: North Adams, St. Joe, Zion and their siblings.

Please note: to fulfill weekday and weekend meal requests, the Food and Nutrition Department requests that participants reserve meal kits using the online meal request form. All requests must be made by Wednesday at 4 PM each week to request for the upcoming Friday or Monday pick up time.

At the time of pick up, participants must remain in their vehicle and wear a mask. All meals must be signed for; however, students do not need to be present at the time of pick up. Each child is permitted to only one breakfast and one lunch per day.
