

# LINQ Online Ordering for Elementary Lunch ORDERS only!

## The Helpful Hamburger

Having difficulty ordering  
FREE MEALS?  
Use the helpful hamburger  
as your guide!

**STEP 1: LOGIN to LINQ using your email OR if you are new to LINQ Online Ordering create an account at [onlineordering.linq.com](https://onlineordering.linq.com)**

"Sign in name" is your email address. First-time users or if you forget your password will need to verify your email address using a verification code that will be sent to your email.

**STEP 2: ADD STUDENT(S) TO THE LINQ ACCOUNT**

Click on the ADD A CHILD icon. Select School District "North Attleboro Public Schools", Student ID is the LASID number or "Local Identifier" which can be found in ASPEN X2 and enter the last name. If you don't know the LASID number, please call 643-2104 or email [hbaril@naschools.net](mailto:hbaril@naschools.net)

**STEP 3: CLICK ORDER MEALS**

ORDER MEALS

Select which meals you would like to order (Helpful Tip: You can order multiple meals at one time)

Click ADD TO ORDER for all the meals you would like, then click on the Shopping Cart Icon. Click CHECKOUT.

Select Pick up Location by clicking the drop-down menu

**CLICK PLACE ORDER**

Lunch Pickup Location

You will receive an email confirmation once you successfully completed the order!
