

The world is moving online. Don't miss out!

LET'S CONNECT

Connect your home to potential jobs, critical healthcare services, virtual classrooms, and other education and job training opportunities.

Federal assistance now available through internet providers:

- Up to **\$50** per month towards internet service
- Up to **\$75** per month for households on Tribal lands
- **\$100** toward a computer from participating providers

You are eligible if at least one member of your household:

- Qualifies for Lifeline telephone/broadband program.
- Receives free or reduced school lunch.
- Received a Federal Pell Grant during the current year.
- Experienced a loss of income due to COVID-19.
- Participate in an existing low-income internet or COVID-19 program.

SIGN UP TODAY!

Check with your local internet provider or go to: **utahgoed.info/EBB**.
