### **STUDENT LUNCH ACCOUNT**

Old Rochester Regional School District offers an on-line payment system called Titan Family Portal. The on-line system, <https://family.titank12.com/> can be easily set up and used to receive low balance notices, monitor student spending, make deposits to their accounts and transfer monies between children's accounts.

All students are assigned a personal lunch account and unique pin#. Please help your child to memorize their pin #. All purchases are entered into the computerized system. You may send in a check or cash with your child that will be deposited into their personal lunch account. If you are paying by check, please make it out to ORR Food Service and include your child's full name in the memo area of the check

**New** this year: Students will be issued a student ID card. The cashier will be able to scan their ID card to access their lunch account.

The use of student ID cards increases the speed of the serving line (once students complete the learning phase), and gives students more time eat and enjoy their lunch.
