

# After School Meal Program FAQ

## **1. What counts as an enrichment program?**

All programs except athletic program, unless the athletic program incorporates enrichment (*i.e. – Reading & Basketball; Sports programs that add Health or Nutrition Education; etc.*)

## **2. Can Students participating in after school sports participate in the After school meals program?**

Athletic programs are not eligible to apply as a sole program, however, they are able to participate in the after school meal program if an enrichment program applies or if there is an existing meals program operating.

## **3. There is already a snack or dinner program operating in my building on the day my program needs snacks or dinners? How do I organize a snack or dinner for my program?**

*E-mail your cafeteria manager to express interest in adding your program to the after school meals program and include the number of snacks/dinners needed daily.*

## **4. Our program has an away game or trip that requires us to leave school grounds after school. Can we make arrangements for snacks or dinners to go?**

Yes. Notify the cafeteria manger at least 2-weeks in advance with number needed and time of pick up so they can coordinate packaging of the meals for transport.
