

**Breakfast  
And  
Hot Lunch are still  
FREE!!**

Students are back full-time and our kitchens are open and ready to serve hot delicious meals. And best of all, meals are still free.

Here's what you need to know:

- Hot lunch served at all schools.
- Most Elementary schools are serving second chance breakfast (no breakfast before school). **Green Valley Elementary will hand out a breakfast bag every Monday at the end of the day with breakfast items for the week.**
- Middle Schools serving breakfast before school as usual.
- **All meals are still free.** Ala carte items in the Middle Schools will be available for purchase in a couple of weeks so please make sure your student's lunch account has funds.
- We are happy to introduce our **Pick 3, It's Free** option. Bring your own lunch but come in for a free fruit/veggie/milk combo. This is a great way to support your school's lunch program . As long as your student takes all 3 items your school gets reimbursed for a meal from the State. It's a win-win!
