

***Dear River Forest Families,***

The River Forest Food Service department is excited to announce that starting Thursday, September 24th, 2020 **ALL River Forest Students will receive Free breakfast and lunch!!**

The USDA extended waivers allowing School Nutrition Programs to provide nutritious meals to all students both in-school and E-Learners under the Summer Feeding Program.

We will be continuing to hand out meals to our E-Learning students at each building and will be offering hot meal options for all students attending in person. I hope that you take advantage of this opportunity.

We will be crediting any monies that may have been charged to your students' meal accounts since the first day of school on August 25th .

As the Director of Nutrition I apologize for my part of any confusion and will work tirelessly to gain back your trust.

**Where:** Pick up hours for E-Learning students will be on Wednesdays from 3:30 to 5:00pm at each building..
