SAN RAMON VALLEY UNIFIED SCHOOL DISTRICT

CHILD NUTRITION DEPARTMENT

Mission, Vision and Beliefs

The San Ramon Valley Unified School District Child Nutrition Department is committed to excellence. Our Vision, Mission, and Belief statements guide us daily in our efforts to provide our students and staff the greatest dining experience possible.

Vision:

To be exemplary, continuously improving the school food service organization that provides students the highest quality, nutritious school meals possible to support their academic success, promote healthy lifestyles, protect the environment and help sustain the planet.

Mission:

We aim to serve the highest quality, nutritious, affordable school meals, in a customer friendly environment, follow sound food safety practices, provide all students access to nutrition education while maintaining that all food and their resources effect the health of the students, environment and all living things on our planet. We aim to promote a more sustainable and healthy quality of life.

We believe:

Our students deserve the highest quality, nutritious school meals possible.

All students should have access to affordable, nutritious food.

Students learn best when they are properly nourished.

We have the power to positively impact the health of the students we serve.

We have to power to impact the environment and planet with the foods we purchase.

Integrity, Ethics and Equity must lead our decision making process.

Effective Leadership is critical for organizational success.

Employees that are valued produce the best results.

Nutrition – Because we Care...
About our Students, Environment and Planet

SRVUSD Leadership Priorities 2019-20

In partnership with employee groups, students, parents and communities, we will effectively communicate and implement our Framework for Excellence, with a focus on a customer service mindset, equity for all, and accountability as leaders.

Multi-Tiered System of Support to Ensure that Each Student Reaches High Levels of Success

- **Social Emotional Learning:** Prioritize the social emotional health and well-being of our students through a focus on safety, mental wellness and cultural responsiveness, to ensure that each student feels safe, secure, and respected in the least restrictive and most inclusive setting.
- **Academic Excellence:** Ensure each student learns at high levels by providing equitable access to a current, relevant and world-class curriculum and quality instruction that is responsive to meaningful assessment.
- **Personalized Learning:** Continue to expand learner-centered experiences, opportunities and options for students and families while providing equitable access and eliminating barriers.

Respectful Learning & Working Environment

- Provide safe, supportive, and inclusive workplaces in which employees feel valued and are engaged in meaningful collaboration focused on the Multi-Tiered System of Support and continuous improvement.

Fiscal Responsibility

- Continue to evaluate results and cautiously allocate resources with a commitment to ongoing improvement.
