

POMPTONIAN
FOOD SERVICE

3 EDISON PLACE, FAIRFIELD, NJ 07004-3511 • 973-882-8070 • FAX: 973-882-6645
www.pomptonian.com

The safety and well-being of the students we serve is our highest priority. As an allergy-aware kitchen, no product that includes peanut/tree nut in the manufacturer's list of ingredients will be used to prepare food items in our kitchen. It is important to note that pre-packaged peanut butter and jelly sandwiches are available for sale, pre-packaged snacks may also contain peanut/tree nut. Students purchasing lunch with food allergies, other than tree nuts and peanut, are required to pre-order a meal.

Please, be advised, Pomptonian staff prepares and cooks a wide variety of meals in the kitchens. To minimize the chance of cross-contact, pre-ordered meals are prepared for students with documented allergies using ingredients that do not contain their known allergen in the manufacturer's label. Please make sure there is a note from a Medical Doctor and an Individual Health Plan on file in the nurse's office. Once this is complete the nurse will provide the correct pre-order allergy menu.

Each month following the Food Service Department will email the pre-order allergy menu to the parent/guardian to complete by the due date indicated. If you need to cancel a pre-ordered allergy meal, we ask that you call or email the cafeteria by 8:30 am so you receive credit.

For your convenience, you may place funds on your child's lunch account or provide payment with the order form. All meals ordered must be pre-paid. Pre-order allergy meals will be prepared and packaged separately and individually labeled for your child. These will be available at your school cafeteria, please let your child know to tell the food service worker that they have pre-ordered a meal, and our Pomptonian employee will provide the pre-paid meal with the student's name on it.

If you need further assistance or require more information on menu items, we can put you in touch with our Registered Dietitian, Toni Bowman.
