### Policy for Providing Free Meals for School Divisions Participating in the Community Eligibility Provision for all Schools in Washington County Virginia

**Date:** August 1, 2021

Washington County Public Schools today announced its policy for providing free meals to all children served under the National School Lunch and School Breakfast Programs. Each school and/or central school nutrition office has a copy of the policy, which may be reviewed by any interested party.

All schools in the division will be participating in the Community Eligibility Provision (CEP) as implemented under the Healthy, Hunger-Free Kids Act of 2010. Enrolled students will be provided a nutritious meal for breakfast and lunch each day at no charge to the household. Households will not be required to submit a meal application form to receive meals at no charge. A letter to household informing them of the program, including contact information for any questions has been posted to the WCPS Nutrition webpage [www.wcpsvacncafe.com](http://www.wcpsvacncafe.com).

Virtual program students and non-students may receive meals each day by pre-ordering them one business day in advance from the school nutrition coordinator.
