If you would like to place further restrictions on your child's meal account or remove the current %5.00 restriction, this form must be completed and returned to the Child Nutrition Department. *Please note this restriction will carry over to future school years unless a request in writing is received to remove the restriction.

No Ala Carte Snacks (food items)

No 2nd Entrée purchase (example: extra slice of pizza or extra order of chicken nugget)

No Milk

No Ala Carte Beverages

MEAL RESTRICTIONS No Breakfast No Lunch

CHARGE RESTRICTIONS – Unless specified below, Child Nutrition will approve meal charges and will provide a school meal when students do not have a packed meal from home as we believe that the child will otherwise not receive a meal unless one is provided by Child Nutrition.

To place a note on your child's account that restricts meal charges, this form must be completed. When this restriction is placed on your child's account, Child Nutrition will **not** provide a meal for your child when there are no funds on the account and you will need to make arrangements to feed your child. To approve any meal charges after this restriction is in place, you must notify the Cafeteria Manager. Please note this restriction will carry over to future school years unless a written request is received to remove it.

By checking the following box, I am requesting: Absolutely No Charges on my child's account. I understand and agree with the following:

- Unless there are funds on the account, I understand that my child will not be offered a school lunch, after this form is submitted and the restriction is in place. I agree it is my responsibility to notify the Café Manager to lift the restriction, if necessary.
- I understand that my child could take a meal before a Child Nutrition employee is able to intervene. If this occurs, I agree to pay this meal charge, as the food cannot be re-served and will result in a loss to the school meal program.*

**Please help to prevent avoidable charges by frequently checking your child's meal account balance (available through your online EZPay account) and preparing your child to make alternate plans when there are no funds or a packed meal from home.

***NOTE – Meal account restrictions are subject to approval by Child Nutrition before your child's account will be restricted. To confirm that Child Nutrition acts in accordance with your intentions, contact Megan Grippa at (513) 943-5070 for assistance.

This form must be signed and returned to: Child Nutrition Department, 4357 Ferguson Drive, Suite 200, Cincinnati, Ohio 45245, or Email; grippa_m@my.westcler.org
