

WPUSD Student Wellness Committee

Monday, May 8th, 2017

3:30 p.m. – Overlook Room

Minutes from May 8th Meeting

1. Welcome & Introductions
2. Review of February 6th, 2017 meeting minutes
3. WPUSD Wellness Policy – FINAL

Group reviewed and approved final policy. Copies will be posted at school sites in Cafeterias, distributed to PTC groups, and posted in school offices.

4. 2016-17 Goals – Final

Goals were Board approved and will remain the same until next school year.

5. Future Meeting Dates for 17/18 school year: TBD

Future meetings will be held at GEMS and will include student representatives. We will schedule 4 meetings per school year and try to meet in September, November, February, and April.

6. Other

Food Service will inform the PTC that they can assist with catering their events and student functions. If possible, Susan will meet with the PTC prior to the school year and let them know how the Food Services Department can be of help. The PTC should be complying with District Policies regarding wellness and nutrition so we will work towards correcting that.

Liz mentioned that Stacey Brown will be prohibiting parents from bringing fast food to students at lunch time. This disrupts other students in class and interferes with serving lunch.

NEXT MEETING DATE: Next school year!
