The screenshot shows the 'MyKids Terms of Use' page on the MyNutriKids.com website. The page contains the following sections:

- MyKids Terms of Use**: This Terms of Use and User Agreement ("Agreement") affects your rights and should be read carefully. This Agreement was last modified on October 6, 2009.
- USE OF SERVICE**: This Agreement with Lunch Byte Systems, Inc. ("Lunch Byte Systems" or "we") applies to your use of the MyKids payment service accessed by the Internet (hereinafter referred to as "MyKids" or the "Service") and is part of the suite of services included in MyNutriKids.com. In this agreement, "you" or "your" means any person or entity using the Service. To facilitate payments, it is necessary for Lunch Byte Systems to share certain information with third party providers to process payments; however, this information will not be sold or shared with parties who are not involved with the processing of your payment or as required by law. Please review the MyKids Privacy Policy for additional details.
- By using the Service, you agree to the terms and conditions of this Agreement.**
- 1. USE OF SERVICE.**
 - (A) Use of the Service is granted to legally authorized parents, guardians, account holders, and their designees, who are at least eighteen (18) years of age ("Authorized Users") to access information and make payments to their child's ("Child") school meal account using this Service.
 - (B) Authorized Users may use the Service to view account information, transaction history information and make payments as allowed by this Agreement.
 - (C) Authorized Users using the Service, Lunch Byte Systems, the Child's school, other school officials and the designees of any of the foregoing, may share information in connection with the operation of the Service in compliance with the MyKids Privacy Policy.
- 2. PAYMENTS TO SCHOOLS.**
 - (A) You may make payments by using a credit card, debit card or U.S. bank account. The Child's school receives the proceeds of all payments less any convenience fees associated with the transaction. Use of payments at your Child's school is governed exclusively by your agreement or arrangement with the school, and we are not responsible for the school's handling of payments after the school receives the funds.
 - (B) Payment processing shall be performed by a third party, designated by Lunch Byte Systems from time to time, that is
- 11. MISCELLANEOUS TERMS.**
 - (A) Entire Agreement. This Agreement, other agreements, policies and any operating rules posted on the Website or provided to you through MyKids or MyNutriKids.com constitute the entire agreement between you and us with respect to your use of the Service, and supersede all previous written or oral agreements between the parties with respect to such subject matter.
 - (B) Change in Terms. Lunch Byte Systems reserves the right at any time to change, add to or delete any aspect or feature of the Service and the terms and conditions of this Agreement, including, but not limited to, with respect to convenience fees for use, except where obligated by an existing agreement with a school and/or school district. We will provide notice of any such changes by posting notice to the Website or as otherwise required by law. Any use of the Service by you after such notice shall be deemed to constitute acceptance by you of such changes.
 - (C) Applicable Laws. This Agreement is governed by the laws of the State of New York without regard to its conflict of laws provisions.
 - (D) Waiver. Any waiver of our rights must be in writing and signed by a duly authorized officer of Lunch Byte Systems. No waiver of any breach or default hereunder shall be deemed to be a waiver of any preceding or subsequent breach or default.
 - (E) Partial Invalidation. If any provision of this Agreement shall be held invalid or unenforceable by competent authority, such provision shall be construed so as to be limited or reduced to be enforceable to the maximum extent compatible with the law as it shall then appear. The total invalidity or unenforceability of any particular provision of this Agreement shall not affect the other provisions hereof and this Agreement shall be construed as if such invalid or unenforceable provision were omitted.
 - (F) Arbitration. All disputes arising out of or relating to this Agreement (including its formation, performance or alleged breach) or your use of our Service will be exclusively resolved under confidential binding arbitration held in Rochester, NY before and in accordance with the Rules of the American Arbitration Association. The arbitrator's award will be binding and may be entered as a judgment in any court of competent jurisdiction. To the fullest extent permitted by applicable law, no arbitration under this Agreement will be joined to an arbitration involving any other party subject to this Agreement, whether through class arbitration proceedings or otherwise. Notwithstanding the foregoing, Lunch Byte Systems will have the right to seek injunctive or other equitable relief in state or federal court located in Rochester, NY to enforce these terms or prevent an infringement of a third party's rights. In the event equitable relief is sought, each party hereby irrevocably submits to the personal jurisdiction of such court.
 - (G) Notice and Electronic Communications. All notices required or permitted to be given under this Agreement will be in writing and delivered to the other party by electronic mail. All notices will be deemed received 24 hours after the message was sent, if no "system error" or other notice of non-delivery is generated. Each party agrees that any notice that it receives from the other party electronically satisfies any legal requirement that such communications be in writing.
 - (H) Waiver of Class Action Rights. By entering into this Agreement, you hereby irrevocably waive any right you may have to join claims with those of others in the form of a class action or similar procedural device. Any claims arising out of, relating to, or connected with this Agreement must be asserted individually.
 - (I) Limitation of Actions. You acknowledge and agree that, regardless of any statute or law to the contrary, any claim or cause of action you may have arising out of, relating to, or connected with your use of the Service must be filed within one (1) year after the date on which the claim or cause of action accrued.
 - (J) Expiration of Service. If you fail to use the Service for twelve (12) consecutive months, your authorization may expire and your information may be deleted. If your authorization is deactivated, you must re-register to use the Service.
 - (K) Assignment of Rights. Lunch Byte may assign, transfer or delegate its rights and/or obligations under this Agreement to a successor by merger or sale of substantially all of the assets of Lunch Byte or more than 50% of the voting stock of Lunch Byte.

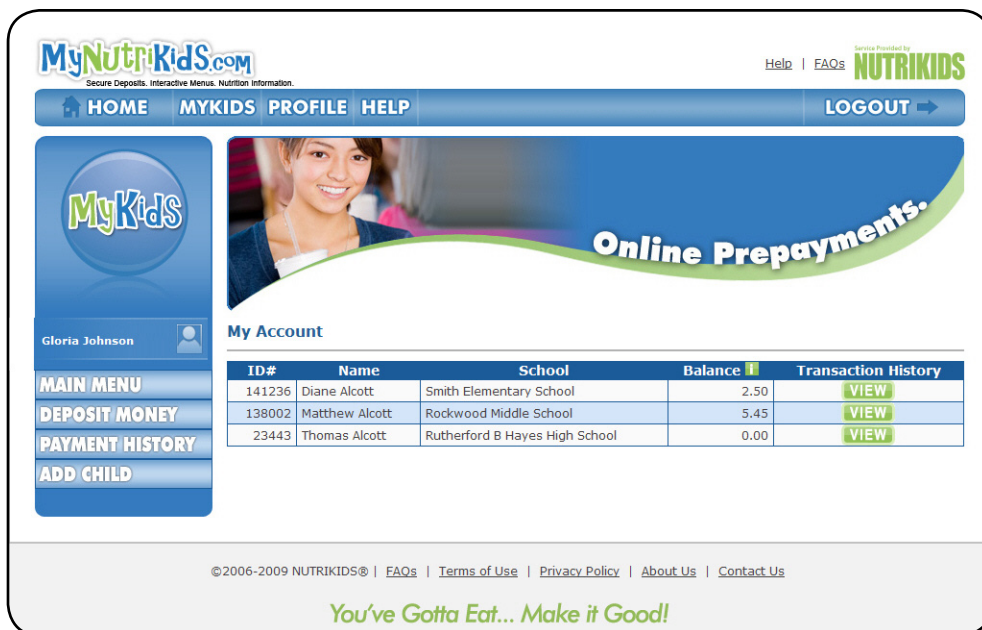

At the bottom of the page, there are two buttons: 'I Decline' and 'I Accept'. The 'I Accept' button is highlighted with a red box. Below the buttons, there is a disclaimer: 'Not all services are available at each school. Please check with your district Food Service Director for information.' and a footer with copyright information and a slogan: 'You've Gotta Eat... Make it Good!'.

Why isn't my payment showing up?

Incomplete payments can be frustrating. If this happens, you'll have to start the transaction at **MyNutrikids.com** again before returning to **PayPal™**. Make sure to click **PAY NOW** at **PayPal™** to avoid this! Until you click **PAY NOW**, no money is transferred to your child's account.

Think of it like this: Let's say you go to the grocery store to pick up a few items. You fill up your cart with what you plan to buy and then head to the register. When you get to the register, however, you leave your cart in line in front of the cashier and simply walk out. You don't have your items, and you didn't pay for them.

You realize your mistake and return to the store, only to find that the stockboy has returned everything in your cart to the shelves! If you still want your items, you'll have to start shopping all over again.

MAKING A PAYMENT THROUGH A PAYPAL™ ACCOUNT

If you are making a payment via a PayPal™ account, log in with your account name and password. Once you have logged in, you will be directed to the Order Confirmation screen.

BALANCE ALERTS

In order to stay on top of your child's current balance, and to prevent charges, you can set up a **Balance Alert**. The **Balance Alert** is an email that is automatically generated and sent to the email account that you used to set up your MyNutrikids.com account.

You can activate and specify the amount of money on your child's account to act as a low-balance threshold. Once your child's account reaches this established limit, an email is sent, notifying you of this low balance. These emails are sent out each day.

1. Click **PROFILE**.
2. Click **BALANCE ALERTS**.
3. At the Balance Alerts screen, next to your child's name, click the drop-down field and select **ON** to activate the Balance Notification.

What are Pending Transactions?

Once the school district receives a deposit notification, your child's balance will be updated at the district. This typically occurs within 24 hours or less from the time that the deposit was made at MyNutriKids.com. Please note that e-Checks take 4 to 7 business days to clear (refer to the site's FAQ section).

APPENDIX

Please refer to the following sections within this Appendix for information that goes beyond the basics of MyNutrikids.com.

BROWSER SETTINGS

If you are experiencing technical problems when using **MyNutrikids.com**, such as error messages or difficulty registering, the problems are usually due to web browser security settings. The technologies that are used to provide the functions within **MyNutrikids.com** may be blocked if your web browser has stringent security settings.

Below are some web browser configuration recommendations that are meant to address technical issues you may experience when attempting to use or enter our website. Because some of these settings are associated with your web browser's security configuration, you should decide for yourself if you choose to implement them.

COOKIES

MyNutrikids.com uses browser cookies to keep track of your session settings as you navigate from one web page to the next. Cookies store pieces of information generated by a website for future access. Cookies are necessary for the website to keep track of which account is logged in. Cookies used by **MyNutrikids.com** are only valid during your session and are deleted once you close your web browser. The exception to this is the permanent cookie that is created if you select **REMEMBER ME** at the login screen.

JAVASCRIPT

JavaScript is a programming language that runs on web pages, and is necessary to perform certain functions, such as calculating the convenience fee. Without JavaScript enabled, you will not be able to make online prepayment deposits to your child's school lunch account. You will also be unable to correctly log in or click any relevant links at **MyNutrikids.com**. This behavior results in the browser returning to the Log In page repeatedly after logging in, or when clicking any links.

COMMON ISSUES

INCOMPLETE PAYMENTS

Whether you have a PayPal™ account or not, you must ensure that you click **PAY NOW** at the last step on the PayPal™ website in order to receive a confirmation of payment and a receipt. Failing to perform this step when making a deposit results in an Incomplete Payment: no funds are transferred from you to your child’s account.

If you fail to complete the transaction, you will have to start over again at **MyNutrikids.com**.

Think of it like this: Let’s say you go to the grocery store to pick up a few items. You fill up your cart with what you plan to buy and then head to the register. When you get to the register, however, you leave your cart in line in front of the cashier and simply walk out. You don’t have your items, and you didn’t pay for them.

You realize your mistake and return to the store, only to find that the stockboy has returned everything in your cart to the shelves! If you still want your items, you’ll have to start shopping all over again.

FREQUENTLY ASKED QUESTIONS

Where do I get my child's Student ID?

Your child's Student ID information can be obtained by contacting the school's Food Service Department and asking for your child's ID. Your child's ID number may also be displayed on their school ID card.

How do I find out if my student's school uses this service?

Please contact your child's school to determine if it participates in the MyNutrikids.com service.

Why have I not received my deposit confirmation email?

The most common reason for not receiving your deposit confirmation email is due to a typographical error that may have occurred when entering the email address when you created your MyNutrikids.com account. Alternatively, your Internet Service Provider may have mistakenly blocked the confirmation email, confusing it with junk or spam email. If you have not received your confirmation email, please contact Customer Support via email at support@mynutrikids.com.

I received an invalid student ID message, what do I do?

Please contact the Food Service Department of your child's school to verify your child's student ID number.

I forgot my password. How can I get my password?

Click the Forgot Password? link in the MyNutrikids.com login page. Enter the email address you used when you created your MyNutrikids.com account and click Retrieve Password. Type your email address. A temporary password will be emailed to you. If you don't receive it, it most likely is for the same reasons you may not receive a deposit confirmation email.

How secure is the payment process?

MyNutrikids.com partners with PayPal™ for online payment processing. The PayPal™ website utilizes Secure Sockets Layer (SSL) technology to encrypt data transmissions and to provide website authentication. PayPal™ has quickly become a global leader in online payment solutions with 100 million account members worldwide. Available in 55 countries and regions around the world, buyers and sellers on eBay, online retailers, online businesses, as well as traditional offline businesses are transacting with PayPal™. PayPal™ has received close to 20 awards for technical excellence from the internet industry and the business community. PayPal™ is certified by VISA for its CISP/Cardholder Information Security program. This certification is VISA's highest security protocol. MyNutrikids.com NEVER receives your personal payment information.

What does it cost to use this service?

A convenience fee of \$1.75 is assessed for each deposit transaction. Parents placing money into multiple meal accounts simultaneously will be assessed the \$1.75 fee only once per deposit transaction.

Can the payment be used for other school fees?

As of this moment, MyNutrikids.com online prepayments are for school meal programs only.

How long after I make my payment will the money be available in my account(s)?

Payments are generally processed by PayPal within 24 hours. However, if the payment option selected is

an e-Check, the processing will take anywhere from 4 to 7 business days. If you opt to pay via e-Check, please allow a minimum of one week's lead time before the funds will be made available on your child's account. Other external factors may also delay the processing of a payment.

What is an e-Check?

An e-Check is an electronic representation of a paper check. It is a debit transaction from your bank account. e-Checks take anywhere from 4 to 7 business days to complete processing by PayPal. The funds will not be available to your child's account until the processing is complete.

My deposit has come out of my bank account. Why does it not show anywhere on my child's account?

If you paid via e-Check, your bank may place a hold on the funds while it is being processed. While this may appear as a withdrawal, the funds are not removed until PayPal has completed processing the payment. Once processing has completed, the payment will be made available for the school to apply to your child's account balance.

Can I make payments to multiple children's accounts with one payment?

Yes. You will need to enter a specific payment amount for each child. You are charged the \$1.75 convenience fee only once.

My child makes purchases at school every day. I added my child to my account, but when I click History to view the Account History, it is blank. Why are there no transactions?

Please allow up to 24 hours for the new account's Transaction History to be transferred online.

Who should I contact if I have questions about a recent payment?

All questions concerning online payments should be directed to your school Food Service Department.

How do I add additional students after the initial set up of my account?

Students can be added from the Add Student Button located on the MyKids page. Students can also be removed at the Profile page by selecting Edit Family List.

How do I find out what my child has been buying for lunch?

To view purchases for the previous 30 days, login to MyNutrikids.com and click the History link next to your student's name on the MyKids page.

Can I receive an email when my child's account balance is low?

Yes. You can establish an account balance notification threshold for each child. Once the account balance falls below the established amount, MyNutrikids.com will automatically send you an email notice. To activate, go to Profile and choose Balance Alerts. Set your desired threshold in the Amount field and, from the drop-down, select ON to activate Low Balance Notifications. To ensure that you receive this email, note that your Internet Service Provider may have mistakenly blocked it, confusing it with junk or spam email. Set the email account that is sending you these messages as a trusted sender.

How do I change the email address on my account?

You can change the email address on your account by going to Profile and click EDIT next to USERNAME/ EMAIL.
